EB Willow Road Ramp From NB I-94 Closed for 10 Days

CHICAGO - The Illinois Department of Transportation (IDOT) announced that the eastbound Willow Road exit ramp from northbound Interstate 94 (Edens Expressway) will be closed for the next 10 days as part the ongoing Willow Road reconstruction.

The closure was put in place today and will be lifted, weather permitting, on Oct. 30.

A detour route is posted directing northbound I-94 traffic to the Dundee Road exit to access eastbound Willow Road via Illinois 43 (Waukegan Road).

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
